Google keyboard tips and tricks.

Description

today in this blog we are going to be talking about some tips and tricks for using the Google keyboard. Gboard is a great keyboard app that comes pre-installed on many Android devices. It offers a variety of features that can help you type faster and more efficiently.

Here are a few of my favorite Gboard tips and tricks:

- Use swipe typing to type faster.
- Use the spacebar as a cursor.
- · Add custom shortcuts.
- Use the GIF keyboard.
- Use the handwriting keyboard.

I hope these tips and tricks help you get the most out of Gboard. Thanks for watching!
