â??Unlock Your Internet Potential: Enroll in Our Screen Reader Internet Browsing Course for Confident and Efficient Web Navigation!â?•

Description

â??Mastering Internet Browsing with Screen Reader: A Comprehensive Course by Himanshu TechVisionâ?•

Himanshu techvision is going to start a course on internet browsing, which will cover all those topics, which you need to become a confident and efficient user of Internet. from 1st may, 2023. for 1 month.

The course includes topics such as:

the basics of browsing, options and features available in browsers, key commands for efficient browsing, quick searching tricks, form filling, using some web applications such as Gmail, WhatsApp, and other useful tools with a screen reader.

Please note that this training program will require a nominal fee of rupees 99/-.

The course is scheduled for a convenient timing of 4:00 p.m. to 5:00 p.m. and will be conducted via Zoom or Google Meet for 1 month. (from 1st may, 2023)

However, the duration may be adjusted as per the requirements of the candidates.

In case you face any issues with the timings, worry not, as we provide an alternative option for recordings. If you miss any of the sessions due to any circumstances, we have got you covered. We provide recordings of all the sessions daily, and if you have any questions, you can ask them in a message, or join the next session to clear your doubts.

The first session of the course will be a demo or an introduction, which will give you a glimpse into the courseâ??s structure and the trainerâ??s teaching style. After this session, if you like what you see and want to continue with the course, you need to pay the fee to access further sessions.

Although having a laptop is preferred for hands-on practice, there are no restrictions on joining the course, without the laptop. However, it is highly recommended to have a laptop to clear all the topics and doubts with practicals.

Please note that we are currently not providing any certification for this course.

Join us to enhance your knowledge and empower yourself to become a proficient user of the internet with this training program on the basics of internet browsing.
